

## Local Family Council COVID-19 Informational Briefing Meeting Minutes

### Call Details:

**Facility:** MCCCW

**Date and Time:** 1/3/2022, 1:00 PM

### Attendees:

Superintendent Dennis Tabb; Correctional Program Manager Courtney Robbins; OCO Representative Carolina Landa; CPPC Jenn Bullard; LFC Family member Paula Bonds

### Weekly Update:

- Population Update- Total Population 116  
67 in Gold Creek Unit                      52 in Mission Creek Unit
- 5 in Bear- precautionary measure for close contact exposure- They have tested negative.
- MCCCW is currently on quarantine status
- MCCCW Quarantine status update:  
Four incarcerated individuals left MCCCW with negative COVID tests. Once at WCCW, they were tested again, with a negative test. They were then tested again and were noted as positive. Three were then transferred to work release and one remained at WCCW.
- Medical will determine when the facility will be released from quarantine status. MCCCW is currently waiting for a few more tests to come in and then a review at HQ will determine when the facility will be able to be released from quarantine.
